الشروط المتفق عليها كما يلي:

1. The Tenant, upon signing this Lease Agreement, acknowledges having received the Leased Premises and its appurtenances in the condition recorded in the signed Move-In Inspection Report attached as Annex B, which both Parties acknowledge as the agreed record of the condition of the Leased Premises at handover, in accordance with the terms set forth herein. The Tenant further undertakes to return the Leased Premises to the Landlord or their authorized representative upon the expiration or termination of the lease term, in the same condition as received, subject to normal wear and tear resulting from ordinary use. This clause is in accordance with Law No. (26) of 2007 Regulating the Relationship between Landlords and Tenants in the Emirate of Dubai, and its amendments.

-١ **[AR – TRANSLATION PENDING – Clause 1]**

2. Upon vacating the Leased Premises, the Tenant undertakes to return the property in good condition, similar to its condition at the commencement of the lease, subject to normal wear and tear. The Tenant shall be responsible, at their own expense, for repairing or restoring any damage, breakages, loss, unauthorized additions, or alterations made to the property during the lease term. If the Tenant fails to carry out the necessary repairs, the Landlord shall have the right to assess the condition of the property through their maintenance team after handover and charge the Tenant the full cost of repair based on such assessment.

-٢ يتعهد المستأجر، عند إخلاء العين المؤجرة، بإعادتها إلى المالك وهي في حالة جيدة ومماثلة للحالة التي كانت عليها عند بدء عقد الإيجار، مع مراعاة الاستهلاك العادي الناتج عن الاستخدام المعتاد. كما يلتزم المستأجر بإصلاح أو تحمل تكلفة إصلاح أي أضرار، أو كسور، أو فقدان، أو تغييرات، أو إضافات غير مصرح بها طرأت على العين المؤجرة خلال فترة الإيجار، وذلك على نفقته الخاصة. وفي حال عدم قيام المستأجر بهذه الإصلاحات، يحق للمالك تقييم الأضرار من خلال فريق الصيانة الخاص به بعد استلام العقار، وتحميل المستأجر كامل تكلفة الإصلاح وفقًا للتقييم.

3. The Tenant shall not affix carpets, flooring, or any installations within the Leased Premises using adhesives or any other materials that may cause damage to the flooring or the structural integrity of the property. The Tenant is further prohibited from carrying out any alterations or internal works inside or on the Leased Premises without obtaining the Landlord’s prior written consent. Signs are covered by Clause 8. Upon the expiration or termination of the lease term, the Tenant shall be obligated to remove all such additions or modifications made during the lease period and restore the Leased Premises to its original condition as it was at the commencement of the lease. The Tenant shall bear the full cost of such removal and any necessary repairs resulting from said alterations, without the need for formal notice from the Landlord. The Landlord shall have the right to deduct the cost of such removal and/or repairs from the security deposit held, without prejudice to the Landlord’s right to claim any additional amounts should the cost of restoration exceed the deposit, in accordance with the applicable laws and regulations in the Emirate of Dubai.

-٣ **[AR – TRANSLATION PENDING – Clause 3]**

4. **Maintenance and repairs.**
(a) Tenant's responsibility: (i) minor maintenance and repairs of the Leased Premises where the cost of an individual repair incident, as assessed by the Landlord's maintenance team or a contractor approved by the Landlord, is below AED 500 (Five Hundred Dirhams); (ii) all maintenance, repair and eventual removal of any alterations, additions or installations made by the Tenant; (iii) maintenance of any non-original fitting that the Tenant has expressly accepted in Annex B; (iv) irrespective of cost, repair of any damage caused by the Tenant's misuse or negligence, by persons the Tenant admits to the Leased Premises, or by the Tenant's failure to report a defect promptly; and (v) the shop's fit-out, shopfront, glass, shutters, doors and locks, and any air-conditioning, exhaust or other equipment installed by or for the Tenant.
(b) Landlord's responsibility: (i) any individual repair incident costing AED 500 (Five Hundred Dirhams) or more, in full and not only the excess; (ii) all structural works, waterproofing, main electrical, plumbing and drainage infrastructure, district cooling / chiller equipment and any building-wide system, irrespective of cost; and (iii) any non-original fitting not listed in Annex B as accepted by the Tenant.
(c) Reporting: the Tenant shall report any defect or damage through the 'Ain Al Reem Living' application or in writing within forty-eight (48) hours of becoming aware of it. Where a delay in reporting increases the cost of repair, the additional cost shall be borne by the Tenant.
(d) Repairs within the Tenant's responsibility that the Tenant fails to carry out within a reasonable time may be carried out by the Landlord and charged to the Tenant at cost.

[AR – TRANSLATION PENDING – Clause 4] **-٤**

5. On the handover date, both Parties shall jointly complete and sign the Move-In Inspection Report (Annex B), recording the condition of each room and fitting with dated photographs, the meter readings (DEWA, cooling, gas) and a list of any non-original fittings and whether the Tenant accepts their maintenance. A Move-Out Inspection Report (Annex C) shall be completed jointly on the day the keys are returned, following the same room order. Where the Tenant declines to attend or sign, the Landlord's report, witnessed by a second representative and sent to the Tenant's notice address the same day, shall be the record. Both the Landlord and the Tenant shall retain a copy of these reports and commit to documenting any remarks or modifications to the condition of the leased premises throughout the lease term.

[AR – TRANSLATION PENDING – Clause 5] **-٥**

6. The Tenant shall permit the Landlord or his authorized agents or workers to enter the leased premises at reasonable and appropriate times for the purpose of inspecting and assessing the condition of the premises, supervising, or carrying out repair and maintenance works. The Tenant shall be notified in advance of the intended visit, except in cases of emergency where immediate access is required.

٦- يلتزم المستأجر بالسماح للمالك أو من ينوب عنه من وكلاء أو عمال بالدخول إلى العين المؤجرة في الأوقات المناسبة والمعقولة، وذلك لغرض معاينة وفحص حالة العين المؤجرة، والإشراف على أعمال الإصلاح والصيانة أو تنفيذها. على أن يتم إبلاغ المستأجر مسبقًا بموعد الزيارة ما لم تكن الحالة طارئة تستدعي الدخول الفوري.

7. The Tenant shall not place any goods, stock, display stands or equipment outside the Leased Premises, including on walkways, parking and common areas. The Landlord may remove them at the Tenant's cost.

٧- **[AR – TRANSLATION PENDING – Clause 7]**

8. **Signage.** The Tenant shall not install any sign, logo, light box or display on or outside the Leased Premises without the Landlord's prior written approval of its design, size and place. The Tenant shall obtain all permits for signs at its own cost. The Landlord may remove any sign installed without approval at the Tenant's cost.

٨- **[AR – TRANSLATION PENDING – Clause 8]**

9. **Approvals and Civil Defence.** The Tenant shall, at its own cost, obtain and keep valid all approvals needed for its activity, including Civil Defence, Dubai Municipality, food safety and health permits. The Tenant shall follow all fire-safety rules, including the rules on gas and LPG cylinders. Any fine imposed on the Tenant or the Landlord because of the Tenant's activity shall be paid by the Tenant within seven (7) days of demand.

٩- **[AR – TRANSLATION PENDING – Clause 9]**

10. The Tenant must not remove any fixtures (e.g., wiring, pipes, or sanitary fittings) if it would damage the property. If this obligation is breached, the Landlord may claim the full cost of repairs and compensation, in line with Dubai laws and may escalate the matter to the Dubai Rental Disputes Center or other relevant authorities.

١٠- يتعهد المستأجر بعدم إزالة أي من التركيبات المثبتة أو المدمجة في الجدران (مثل الأسلاك الكهربائية، أنابيب المياه، التركيبات الصحية) إذا كان ذلك سيؤدي إلى ضرر في هيكل أو تشطيبات العين المؤجرة. وفي حال الإخلال، يحق للمؤجر المطالبة بالتعويض الكامل عن الأضرار والخسائر المباشرة أو التبعية، وفقًا للقوانين السارية في إمارة دبي، ودون المساس بحقوقه في اللجوء للجهات المختصة.

11. The Tenant shall not carry out any substantial repairs or modifications to the leased premises without the prior written consent of the Landlord. Any unauthorized work shall be considered a breach of this agreement and shall entitle the Landlord to claim damages.

١١- لا يجوز للمستأجر تنفيذ أي تعديلات أو إصلاحات جوهرية في العين المؤجرة دون الحصول على موافقة خطية مسبقة من المؤجر، وأي مخالفة تُعد خرقًا صريحًا للعقد وتخول المؤجر المطالبة بالتعويض.

12. Rent payment and returned cheques.

(a) The Tenant shall pay the rent on the due dates set out in the Payment Schedule (Annex A). The cheque dates in Annex A are the due dates of the respective instalments.

(b) If a cheque is returned unpaid for any reason attributable to the Tenant, the Tenant shall, within seven (7) days of written notice:

(i) pay the amount of the returned cheque;

(ii) reimburse the Landlord's actual third-party costs arising from the return, including bank charges and the cost of serving notices, against copies of the relevant receipts; and

(iii) pay an administrative handling fee of AED 500 (Five Hundred Dirhams) per returned cheque. The Parties agree that this fee is a genuine pre-estimate of the Landlord's internal cost of handling a returned cheque (staff time, correspondence, re-presentation and record-keeping) and is not a penalty.

(c) The Landlord may invoice the amounts in (b)(ii) and (b)(iii) and, if unpaid, deduct them from the security deposit in accordance with the Security Deposit clause. The Landlord may make acceptance of a replacement cheque conditional on payment of these amounts.

(d) A cheque returned because the account is closed, the signature does not match, or the amounts in words and figures differ shall be treated as a material breach.

(e) The Landlord's acceptance of a replacement cheque or of a partial payment is on account only and does not extend any due date, waive any notice already served, or waive any right of the Landlord.

(f) In the event of non-payment, the Landlord may exercise its rights under Article 25 of Law No. 26 of 2007 as amended, including service of the statutory notice through the notary public or registered mail, and may claim rent until the date the Leased Premises are actually vacated and handed over.

(g) Sub-clauses (b) and (c) survive the expiry or termination of this Agreement.

[AR – TRANSLATION PENDING – Clause 12] -١٢

13. The lease agreement shall not be considered effective nor delivered to the Tenant until the first rent installment cheque is cleared by the bank and the Tenant has submitted all documents required by the Landlord or his authorized representative. Failure to fulfill these conditions entitles the Landlord to withhold delivery of the lease agreement or suspend its effectiveness until full compliance is met. The Landlord shall register the contract with Ejari within seven (7) working days after the first instalment has cleared and the Tenant's documents have been received. Nothing in this clause entitles the Landlord to withhold Ejari registration once those conditions are met.

[AR – TRANSLATION PENDING – Clause 13] -١٣

14. The Tenant shall not have the right to terminate this Lease Agreement prior to the expiry of its fixed term, unless prior written approval is granted by the Landlord. In the event that the Landlord consents to an early termination, the Tenant shall be liable to pay an early termination compensation equivalent to three (3) month's rent, which shall be payable prior to or upon the actual date of vacating the Leased Premises. This clause shall constitute an integral part of the contractual obligations of both parties.

١٤- لا يحق للمستأجر إنهاء هذا العقد قبل انتهاء مدته المحددة، ما لم تتم الموافقة الخطية المسبقة من قبل المالك على ذلك. وفي حال وافق المالك على إنهاء العقد قبل الأجل، يلتزم المستأجر بدفع مبلغ يعادل قيمة إيجار ثلاثة (3) أشهر كتعويض إنهاء مبكر، على أن يُدفع هذا المبلغ قبل أو عند تاريخ الإخلاء الفعلي. ويُعد هذا البند جزءًا لا يتجزأ من الالتزامات التعاقدية للطرفين.

15. Renewal and changes of terms.
(a) Either Party wishing to amend the rent or any term for the following lease period shall notify the other Party in writing at least ninety (90) days before the expiry date. Any rent increase shall be within the limits of the RERA Rental Index applicable at the time.
(b) If no such notice is given, and the Tenant remains in occupation, the contract renews for a like period on the same terms, in accordance with Article 6 of Law No. 26 of 2007 as amended.
(c) The Landlord may decline to renew only on the grounds and subject to the notice periods and methods prescribed by Article 25(2) of Law No. 26 of 2007 as amended.
(d) A Tenant who does not wish to renew shall notify the Landlord in writing at least ninety (90) days before the expiry date to allow re-letting; where notice is given later, the Tenant remains liable for rent until the expiry date or the actual handover date, whichever is later, and the Landlord shall use reasonable efforts to re-let.

١٥- **[AR – TRANSLATION PENDING – Clause 15]**

16. In the event that the Tenant intends to vacate the Leased Premises prior to the expiration of the Lease Term, the Tenant shall notify the Landlord or the Landlord's agent in writing and obtain prior written approval. If the Tenant vacates the Leased Premises without such approval, or it is established that the Premises have been left unoccupied and the Tenant has failed to fulfill contractual obligations, the Landlord or the Landlord's agent shall have the right to file an official request with the relevant authorities (such as the Dubai Rental Dispute Center) to take the necessary legal action to repossess the Leased Premises in accordance with the applicable laws and regulations. In such case, the Tenant shall have no right to object to the legal procedures undertaken by the Landlord to recover the Premises, without prejudice to the Landlord's right to claim any damages or outstanding dues under the Lease Agreement.

١٦- **[AR – TRANSLATION PENDING – Clause 16]**

17. (a) The Tenant shall not sublease the leased premises, whether in whole or in part, nor assign or permit any third party to occupy or use the premises in any manner, whether for consideration or otherwise, without the prior express written consent of the Landlord. The Tenant is strictly prohibited from using the leased premises for any purpose other than the Permitted Activity stated on page 1. In the event of a breach of this provision, the Landlord shall have the right to take all necessary legal actions, including immediate eviction and claiming damages. Furthermore, the Tenant shall provide the Landlord or his authorized representative with copies of its trade licence and the IDs of its staff working in the Leased Premises on request.
(b) Authority to consent: no consent, approval or no-objection certificate binds the Landlord unless it is issued on the Landlord's letterhead, bears a reference number and is signed by an authorised signatory named in the Landlord's trade licence or a notarised power of attorney. Real-estate brokers, agents and building staff have no authority to issue consents or documents on the Landlord's behalf.

-١٧ **[AR – TRANSLATION PENDING – Clause 17]**

18. The Tenant shall bear full responsibility for the payment of all governmental, municipal, and housing fees, as well as the registration fees of the Lease Agreement with the Real Estate Regulatory Agency (RERA), whether such fees are currently due or may become due in the future, in relation to the Leased Premises throughout the lease term. The Tenant shall also be responsible for the timely settlement of all utility bills including water, electricity, sewage, district cooling / chiller charges, gas, telecommunications and internet, and any other service charges related to the Leased Premises. This includes the trade licence, Ejari, signage permits, Civil Defence and Dubai Municipality approvals and inspections, waste collection, and any new government fee. Any delay or failure in payment shall be deemed a breach of the Tenant’s contractual obligations.

-١٨ **[AR – TRANSLATION PENDING – Clause 18]**

19. The Tenant undertakes to pay a minimum service fee of AED 1,500 or 2% of the annual rent, whichever is higher, for each renewal of the lease contract.

-١٩ يلتزم المستأجر بدفع الحد الأدنى من رسوم الخدمة المقررة بمبلغ 1,500 درهم إماراتي أو بنسبة 2% من قيمة الإيجار السنوي، أيهما أعلى، وذلك عن كل عملية تجديد لعقد الإيجار.

20. Security deposit.

(a) Within seven (7) working days after the Move-Out Inspection Report (Annex C) is completed, the Landlord shall send the Tenant an itemised deduction statement, each item referenced to Annex B and Annex C with photographs and the applicable rate from the Schedule of Rates (Annex D) or, for items not listed in Annex D, the repair cost evidenced by a contractor's quotation or invoice. Where all deductions can be determined from Annex D, the statement may be issued and signed at the Move-Out Inspection itself.

(b) The Tenant may object in writing within five (5) working days of receipt. An objection by the Tenant does not suspend the Landlord's right to carry out repairs, make-ready works or re-letting of the Leased Premises. Any dispute regarding a deduction shall be determined on the basis of the Move-In Inspection Report (Annex B), the Move-Out Inspection Report (Annex C), the photographs forming part of them, and the Schedule of Rates (Annex D). The undisputed balance of the deposit shall be refunded within twenty-five (25) working days after the Tenant has provided final clearance certificates for DEWA, district cooling / chiller, gas, and telecommunications / internet, and has returned all keys and access cards.

(c) No deduction shall be made for normal wear and tear, which includes minor scuffs and marks, small nail holes, fading from sunlight, and ordinary repainting after a tenancy of twelve (12) months or more unless specific damage is recorded.

(d) The Landlord may deduct unpaid rent, unpaid utility charges, any unpaid amounts invoiced under Clause 12(b) supported by the invoice and receipts, the cost of replacing unreturned keys or access cards at the rates in Annex D, and the cost of repairing damage beyond normal wear and tear proven by Annex B and Annex C.

[AR – TRANSLATION PENDING – Clause 20] **-٢٠**

21. Trade licence and Permitted Activity. The Tenant shall use the Leased Premises only for the Permitted Activity. The Tenant shall obtain its trade licence for the Leased Premises within thirty (30) days of the start date and keep it valid for the whole lease term. The Tenant shall not change the activity without the Landlord's prior written consent. If the licence expires or is cancelled, this is a breach of this Agreement.

[AR – TRANSLATION PENDING – Clause 21] **-٢١**

22. Tenants shall not engage in any activities that may cause disturbance, nuisance, or inconvenience to neighbors or other occupants of the building, including noise, music, smells or smoke from the Leased Premises. All Tenants must observe proper conduct and adhere to the rules and regulations applicable to the Property. The storage or placement of any personal belongings or materials in hallways, balconies, apartment entrances, or any of the building's common areas is strictly prohibited. The Landlord or Building Management reserves the right to remove any such items left in violation of this clause without prior notice and shall not be held liable for any loss or damage resulting therefrom. The Landlord further reserves the right to charge the Tenant for any costs incurred in relation to the removal, cleaning, or related damage.

-٢٢ **[AR – TRANSLATION PENDING – Clause 22]**

23. The Landlord, the property agent, and their respective representatives or affiliates shall not be held liable for any bodily injuries or material damages sustained by the Tenant or their guests while using the swimming pool or any other shared or communal facilities within the building. The Tenant acknowledges that use of such facilities is at their own risk and agrees to comply with all rules and safety instructions issued by the building management or facility operator.

-٢٣ لا يتحمل المالك أو الوكيل العقاري أو أي من ممثليهما القانونيين أو التابعين لهما، أي مسؤولية عن أية إصابات جسدية أو أضرار مادية قد يتعرض لها المستأجر أو زواره نتيجة استخدام حمام السباحة أو أي من المرافق المشتركة أو العامة داخل المبنى. ويقر المستأجر بأنه يستخدم هذه المرافق على مسؤوليته الخاصة، مع التزامه بالتقيد بكافة التعليمات والإرشادات الصادرة من إدارة المبنى أو الجهة المشغّلة للمرافق.

24. If the Property or Building is equipped with parking facilities, parking is provided to the Tenant only if stated in the Remarks of this Agreement or agreed by the Landlord in writing. The Landlord shall not, under any circumstances, be held liable for any damage, loss, theft, or destruction of the vehicle while parked in the allocated space, regardless of the cause. The Tenant shall bear full responsibility for insuring the vehicle. An additional parking space may be provided, subject to availability and the Landlord's prior approval, and shall be subject to additional charges.

-٢٤ **[AR – TRANSLATION PENDING – Clause 24]**

25. The Tenant, its staff and customers have no right to use the camp's rooms, dining hall, kitchen or other camp facilities.

-٢٥ **[AR – TRANSLATION PENDING – Clause 25]**

26. In the event the Tenant breaches any of the terms stipulated in this Agreement, the Landlord shall notify the Tenant in writing to remedy the breach within a period of no less than thirty (30) days from the date of such notice, served in accordance with Article 25(1)(h) of Law No. 26 of 2007 as amended. If the Tenant fails to rectify the breach within this period, the Landlord shall have the right to terminate the Agreement and demand evacuation of the leased premises, holding the Tenant liable for all damages and losses arising from such breach. The Landlord shall also be entitled to take all necessary legal actions to enforce his rights, including claiming compensation and legal costs, in accordance with the provisions of this Agreement and the applicable laws of the Emirate of Dubai.

-٢٦ **[AR – TRANSLATION PENDING – Clause 26]**

27. Rent at the contract rate continues to accrue until the Tenant returns all keys and access cards and the Move-Out Inspection Report (Annex C) is signed or issued, including any period of occupation after expiry or termination. Any such period shall be charged pro rata on a daily basis.

-٢٧ **[AR – TRANSLATION PENDING – Clause 27]**

28. The Tenant's address for contractual notices is the Leased Premises, the email address sample.tenant@example.com and the mobile number +971 50 123 4567. The Landlord's address for contractual notices is the email address tenantcare@ainalreempro.com, or such other email address as the Landlord may notify the Tenant in writing. Notices sent by email to these addresses, or by registered post to the Leased Premises, are deemed received on the next working day. The Tenant shall notify the Landlord in writing of any change of contact details within seven (7) days; notices sent to the last notified details are valid. Statutory notices under Law No. 26 of 2007 shall additionally be served by the methods that law prescribes.

-٢٨ **[AR – TRANSLATION PENDING – Clause 28]**

29. The Tenant acknowledges receipt of the keys and access cards listed in Annex B and shall return all of them on the handover date. The replacement cost of any unreturned or damaged key or access card, as listed in Annex B, shall be borne by the Tenant.

-٢٩ **[AR – TRANSLATION PENDING – Clause 29]**

30. **Handover and fit-out.** The Tenant accepts the Leased Premises in the condition recorded in Annex B. The Tenant shall not start any fit-out works before the Landlord approves its drawings in writing. All fit-out works, approvals and costs are the Tenant's responsibility and at its own risk. Rent is payable from the start date unless page 1 states a fit-out period.

-٣٠ **[AR – TRANSLATION PENDING – Clause 30]**

31. **Fit-out removal at the end.** At the end of the lease, the Tenant shall, at its own cost, remove its fit-out, signs and equipment and return the Leased Premises in the condition recorded in Annex B, unless the Landlord chooses in writing to keep any part, with no payment to the Tenant. If the Tenant does not do this, the Landlord may do it and deduct the cost from the security deposit. Clause 27 applies until it is done.	**-٣١** **[AR – TRANSLATION PENDING – Clause 31]**
32. **VAT.** Rent and all other charges under this Agreement are subject to VAT at 5%, payable with each payment. If the VAT rate changes, the new rate applies from the date of the change. The security deposit and the returned-cheque fee in Clause 12 are not subject to VAT.	**-٣٢** **[AR – TRANSLATION PENDING – Clause 32]**
33. **Insurance.** The Tenant shall insure its fit-out, stock and contents, and hold third-party liability insurance, for the whole lease term, and give the Landlord a copy on request.	**-٣٣** **[AR – TRANSLATION PENDING – Clause 33]**
34. **Opening hours and deliveries.** The Tenant shall follow the building's rules on opening hours, deliveries, loading and waste.	**-٣٤** **[AR – TRANSLATION PENDING – Clause 34]**
35. **Camp rules and security.** The Tenant, its staff and customers shall follow the camp's rules on entry, ID checks, security and opening hours. The Landlord may limit access to the shop for the safety and security of the camp. The Tenant's staff shall not enter the accommodation areas of the camp.	**-٣٥** **[AR – TRANSLATION PENDING – Clause 35]**
36. In the event that there are authorized signatories or company representatives involved, legally certified powers of attorney must be provided evidencing their authority to sign or represent in this matter, and such documents shall be attached to the contract.	**-٣٦** في حال وجود مفوضين بالتوقيع أو ممثلين لشركات، يجب تقديم الوكالات القانونية المعتمدة التي تفيد بحقهم في التوقيع أو التمثيل في هذا الشأن، ويتم إرفاقها بالعقد.
